Mecosta County

## Welcome to the 2025-26 Program Year!

I am just a little over 6 months into the position of Mecosta County 4-H program coordinator and I'm still working to understand all the "behind the scenes" duties. Although I have been involved a little with 4-H, the past few years as the Mecosta office manager, I know I still have a lot to learn.

I have lived in Mecosta County for many years and come from a health education and volunteer management background. I have a love and respect for animals of all kinds, but do not know much about livestock. Thank you to the superintendents, and families that answered all my questions at fair it was a great learning experience for me.

Thank You for the warm welcome. Mecosta County 4-H is a great group of volunteers, leaders, families and youth! I have enjoyed getting to know many of you and look forward to connecting with more of you.

Sincerely,

Karen Ripke, 4-H Program Coordinator

## Paws and Pals Dog Club ready to kick off year 2! New Members welcome!

Paws and Pals had a small but mighty first year. Our members met monthly January to March without our canine friends to learn about grooming, health, the basic terms of showmanship and what it takes to be a good dog owner. A few furry professionals visited to show us how it's done.

Dogs joined the club in April to start training twice a month. Derby, Rebel and Scout learned new tricks and skills and made new friends. We wrapped up our year with a showmanship demonstration at the fair. All participants earned Novice Trick Dog and Canine Good Citizen titles. As we look to year 2, we plan to fully participate in the Mecosta County Fair showmanship events.

New members (8 years and older) are welcome!! We will start meeting in January. If you are already in a club, but want to participate with Paws and Pals, no worries you can still join us!

Talk to Karen Ripke for more information or to get added to the club.

## 4-H Thriving Model of Positive Youth Development

Have you ever been to a club meeting that starts with a roll call question? Building a sense of belonging in the 4-H community is one of four core concepts of the 4-H Thriving Model that any 4-H program can intentionally do.

We strive to build this welcoming feeling and offer kindness to help develop a sense of belonging throughout project meetings, club meetings, workshops and events offered. What better way to build a community than to find similarities among the membership?

Some of the questions are simple, some are silly, and some can get more involved depending on the purpose of the meeting. Regardless, it's a great way to get to know everyone. Contact your local 4-H staff for more information.
