

Fall 2025 SPDC Research Seminars

Sean Huberty

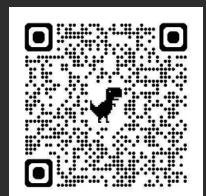

PhD student in cm. 25 years of teaching experience. 20 years of construction experience. OSHA outreach trainer for general industry and construction.

Mass Timber barriers to adoption

Mass Timber technology has several barriers to greater adoption in the USA. A combination of access to better training and improved communication among stakeholders is explored as a strategy to increase adoption.

Human Ecology Building
October 15, 2025
ROOM HE315
1:30 - 2:30 P.M.
